Preschool NO PREP HOME LEARNING PACKET
3 Weeks of Learning

Created by The Moffatt Girls
Dear Pre-K Families,

**Welcome to the Pre-K Home Learning Packet!**

This packet includes 3 weeks of work from home assignments. Each daily assignment consists of 5 pages of math, literacy and other basic skills.

This packet is designed to serve as a review and extra practice. However, please monitor your child as they complete the assignments and feel free to help your child review any pages they find challenging.

In addition, please also continue to read with your child each day.

**Other ideas to extend learning throughout the day:**

- Name a letter or number then have your child find it on mail, magazines, or packaging around the house.
- Ask your child to count out a specific number of crackers or grapes for snack.
- Have your child count out the correct number utensils, cups, and plates to set the table.
- Choose an object then have your child find another object that starts with the same sound. For example: if you pick t..t..table they might pick t..t..train.
- Encourage your child to make predictions and then evaluate what happened. Ask, “What do you think will happen if we ______?” then ask, “What actually happened? Was it the same or different than your prediction?”
